# PRESIDENT REPORT

---

As I reflect on the 2019/2020 Surf Life Saving Season I am struggling to think of where to start and who to thank first, as it seems this year every time I would write something for the members and families of the Hervey Bay Surf Life Saving Club it seems like I was begging for help!

With that in mind I will offer my apologies for all of the requests that have been dispatched this season. As many of you are aware now, the daily operations of a small club like the Hervey Bay Surf Life Saving Club are challenging and at times we have needed a hand to deliver our services for our members and the public who have visited the beaches of Hervey Bay.

Again we have had a number of challenges to deal with this season; to the credit of the Hervey Bay Surf Life Saving Club a majority of these challenges have been overcome and our services have been delivered with outstanding outcomes.

In the 2019/2020 season we welcomed many new members to our club and I personally want to thank those new and returning members who put up their hand to volunteer around our club; your assistance has been greatly appreciated by all of us.

For the 2019/2020 season again we were able to supply 9 fully operational patrols every weekend and on public holidays from September to early May, which is a massive commitment from all of our patrolling members on a beach without the attraction of waves.

This year we also welcomed 12 Bronze Medallion and 11 Surf Rescue Certificate Members to our ranks and I offer a big thank you to our trainers and assessors as well as those who made the commitment to join the Red and Yellow or Orange teams with us.

This year again we have delivered on Surf Life Saving Queensland's primary objective of Zero Preventable Deaths in Queensland public waterways. Thank you to everybody who has patrolled with the Hervey Bay Surf Life Saving Club this season. Your combined efforts and dedication have been outstanding and has been appreciated by our community.

As a club again we hosted a number of successful events such as the Hervey Bay Masters Carnival, the Torquay Hotel Pier 2 Pub Ocean Swim and Junior Branch. As per usual our events have received amazing feedback from those who have supported us and I offer my thanks to everybody who volunteered their time to make our events a success.

I would like to take this opportunity to sincerely thank our committee for their combined commitments this season and I will thank in advance anybody who is putting their hand up to get involved in the new season. Our focus going forward will be to ensure the sustainable future of the Hervey Bay Surf Life Saving Club and I again invite you all to get involved in some little way, as we all know many hands make light work. If too few do too much our future will not be so secure, so please get involved.

# PRESIDENT REPORT

---

There was so much that I was trying to achieve and this year was a classic example of the best laid plans not going to plan with the arrival of COVID 19. I am committed to leading the Hervey Bay Surf Life Saving Club into a bright and sustainable future.

Please excuse me for not naming individuals for their efforts this year, I have taken the safe option as I do not want to forget anybody as there are so many this year, so please everybody accept a very humble and sincere thank you.

I will offer one public thank you to Joanne for your support and understanding while I am on my continuing beach journey.

See you on the beach!

**Darren Everard**  
Club President

## TREASURER REPORT

---

Another successful and rewarding year has rolled by albeit cut short by COVID-19!

We have been fortunate to secure a substantial amount of grant monies this year, and my thanks go to the SLSQ grant writing unit. This year we have been fortunate in obtaining over \$60,000.00 in grant monies being acquitted against: \$15,000.00 for the purchase of a new IRB Hull, from the Casino Gambling fund, this will be one of the new breed of boats, they have just been approved for use by SLSA; and through a Federal Grant via Keith Pitt MP we have also received funding for another IRB hull and new SSV (ATV). We should have them by start of next season. The Keith Pitt grant was a 50:50 grant, so we will sell the current SUV and two of the old IRB hulls to assist in our 50% commitment to this grant. \$5,100.00 from the Brisbane Airport Corporation has provided for us a new IRB motor; \$8,000.00 Sport and Recreation has provided funds for the new nipper boards the kids have been using this season; \$5,000.00 from the Australian Institute of Sports to subsidise the Nipper uniforms (caps and pint vests) for this season and another \$900.00 for Pier to Pub and a \$5,000.00 grant from the Fraser Coast Regional Council. We also received \$5,000.00 from the Bendigo Bank for upkeep of the 4WD.

Without the financial support and the hours of volunteer support from our sponsors we could not function as successfully as we do. They believe in what we do as a club and their support is invaluable. Our sincere thanks to Bayside Radiology, Bendigo Community Bank Hervey Bay, Hervey Bay RSL and Sub Branch, Torquay Hotel, Golden Shores, The Boat Club, Bean Beat, Bob Wicks from Bob's Tyres, Select Shopfitters, Craig Thompson from Thommo's Plumbing, PBS Building, Latitude 25 Hervey Bay, Watkins Electrical, Urangan Bowls Club, Morgan Sewing Centre, Clayton Hearing, Fraser Coast Massage, Andrew Harwood Chiropractic, Rebel Sports who provide us with gift vouchers from their Community Kickback Programme (so don't forget to say you are a Hervey Bay SLSC member when you purchase goods from Rebel!), T & S Auto's for servicing our 4WD free of charge and all our other supporters of our wonderful club, we thank you for being there for us. Especially with the ongoing COVID-19 situation, it is now more than ever time to support our sponsors and buy locally when you can, making sure you tell them you are with the Hervey Bay Surf Life Saving Club!

The Management Committee and members would like to acknowledge the Federal Government, Department of Community Services, Sport and Recreation, SLSA, SLSQ, SLSQ Wide Bay Capricorn and the Fraser Coast Regional Council for their continued support and financial input. We would also like to acknowledge the Hervey Bay SLSC Supporters Club for their ongoing financial assistance of the Hervey Bay Surf Life Saving Club. The Supporters Club had a fantastic year and has donated over \$20,000.00 to the Surf Club this season. My thanks to the Supporters Club Committee and volunteers who have manned the bar this season, this being where a high volume of the Supporters Club income is generated, from which enables them to donate to the Hervey Bay Surf Life Saving Club.

The Nippers fundraising efforts have been successful with "Shake a Tin" at Stocklands and our Sunday sausage sizzles being the main income stream for them.

# TREASURER REPORT

---

On a personal note, I would like to thank my fellow committee members for their support, encouragement, friendship and team spirit through what has been an extremely busy year for us all.

Thanks to my darling wife, Anita for preparing the accounts and keeping the never-ending stream of surf club paperwork I take home in order.

We are in a good financial position to take us into the 2020/2021 season and we are looking closely at where we can save vital funds whilst the ongoing COVID-19 is giving us a lot of uncertainty of what the future holds.

Please peruse the accounts; and if you have any questions do not hesitate to contact me.

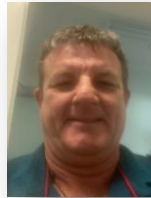

Looking forward to another great upcoming season!

Cheers,

**Roo**

**Director of Finance**

# CLUB CAPTAIN'S REPORT

## Hervey Bay Surf Life Saving Club

### Club Captain Report 2019-2020

Our 2019 -2020 season has come to an end, marking one of our most trying seasons due to the health pandemic of COVID-19. Our season started well with many new members joining our patrol teams thanks to our dedicated trainers and enthusiastic admin team members, encouraging our Junior Life Saving parents to join our cause and help out our community by way of patrolling our beaches and helping out at Junior Life Saving for water safety. This season, due to very limited training time available we only had 12 people complete their Bronze Medallion award and 11 members complete their Surf Rescue Certificate. We maintained our 9 patrols and again we dropped the surveillance patrol from Saturday mornings. During the later stages of this season's patrols, our beaches were very quiet due the restriction of public access to our beaches and in conjunction with SLSQ guidelines our patrols dropped back to surveillance status leaving us with minimal members patrolling until the close of season.

This year's stats are as follows:

Description	Population/Number
Total Beach Attendance	29,689
Swimmers Outside Flags	7,352
Minor First Aid (Cut and Abrasions)	19
Major First Aid	2
Marine	56
Rescues	4
Preventative Actions	551
Total First Aid	21

#### **2020-2021 Patrol Agreement**

As per last year the HBSLSC committee reviewed the past patrol season and again projected the members available for patrolling for the next season and it has been decided to continue with our 2 Bronze and 1 SRC minimum strength, as per previous years. Due to the possibility of further restrictions in the upcoming season, we will be requesting formal recognition of the option for surveillance patrols allowing minimal presence to alleviate unnecessary public interaction if COVID-19 issues persist. This ideal will be evaluated during the upcoming season and be guided by SLSQ.

# CLUB CAPTAIN'S REPORT

---

## **Special Event Water Safety**

With restricted water base sporting events our water safety teams received a well-earned rest this season. Hopefully in the upcoming season and the lifting of sporting restrictions, our water safety teams can get our feet wet again, enjoy our ocean and help out with our local events and triathlon clubs again. I would still like to recognize our special members for this season who braved the elements in the early hours and made sure our commitments were met.

## **WAVERUNNER 30 (Support Operations)**

Wave Runner 30 Support Operations surveillance service is still going strong with 6 operators still patrolling our waters. Our female support service operator performed a different type of rescue this season. Ashleigh was on her normal operations route, when she was tasked with the unusual duty of saving one of our favourite Aussie icons, a very misguided Kangaroo located approximately 1.5km off shore. Ashleigh with the help of an off-duty life saver and some creative rescue techniques, retrieved the animal from the ocean and returned it back to dry land to an awaiting team from RSPCA.

This season our operations team received an updated 2017 rescue craft, making our members surveillance duties much more comfortable because of the new hull design. During the COVID- 19 changes our members were required to be more vigilant in maintaining our operating equipment cleaning and sanitising and were asked to increase our presence on the water due to less beach patrols on our local beaches.

I'd like to thank our team for volunteering their personal time over and above their beach patrols and increasing our patrolling strengths and enabling the movement to spread the work load further.

# CLUB CAPTAIN'S REPORT

---

## Member Beach Patrol Hours

Through-out the season we always seem to have a few dedicated members that turn up for their patrol day in day out and also volunteer for extra patrols to help out other teams during the season. These members dedicate their personal time away from their families and homes, to make sure our beach goers are kept safe and keep our movement alive on our beach. This year's outstanding members that have dedicated their time to water safety, and patrolling include:

Leading Female Patrol Members	
Name	Hours
1. Helen Thomas (ID: 5029120)	66.0
2. Ashleigh Eade (ID: 5761751)	59.0
3. Laura Burchill (ID: 5810463)	52.0
4. Brandy Holt (ID: 5745522)	52.0
5. Brontie Paxton (ID: 4661177)	51.0

Leading Male Patrol Members	
Name	Hours
1. Darren Everard (ID: 4579938)	65.5
2. Ronald Thomas (ID: 5029121)	62.0
3. Darren W Horton (ID: 4744675)	60.0
4. Mark Hart (ID: 5104197)	57.0
5. John Gillard Snr (ID: 4582485)	55.0

As Director of Life Saving for the Hervey Bay Surf Life Saving Club it saddens me to have to recognize the passing of one of the most influential and loved members of the Hervey Bay Surf Life Saving Club.

Mr Donald Burchill (OAM). Donny as he was referred to, played a significant role in our club over the years by sharing his vast knowledge of the Surf Lifesaving movement to our members and families. Personally, I would like to acknowledge my appreciation of Donny guiding me through my first years of being a committee member and Club Captain and will always be thankful to him for his willingness to share his experiences.

Donny was well respected through-out the lifesaving community and has been involved with Surf lifesaving since 1957. He was recognised for his dedication and commitments by being awarded Life Memberships, a World Life Saving Citation of Merit and an OAM for services to Surf Lifesaving.

On behalf of the committee and greater community I wish our patrolling members all the best during the off season and I look forward to seeing you all again next season.

**Darren Horton**  
**Director of Life Saving**

# YOUTH AND DEVELOPMENT REPORT

---

In surf lifesaving across Queensland there is a 75-80% drop out rate between under 13's to under 18's. Our club is no exception; in fact, our drop-out rate has been at the top end of the scale for this age group. High drop outs occur across all sports and are possibly worse in regional areas. The challenge is to keep this group motivated and involved. In surf lifesaving there are plenty of different aspects of involvement. There is competition, community involvement, personal development and socialisation (remember that).

The mission for our youth group (cadets) was to keep them involved in the club. Give them somewhere that they can have fun and enjoy what they do in a safe environment.

The cadets this year were enthusiastic about being involved in the club, most continuing to help out on patrols and BBQs, when needed. Some continued with competition.

To keep the group together we organised specific cadet activities. Friday afternoon board paddles, and beach volleyball. We had pizza nights with guest speakers where they learnt about banking and budgeting from Wade Lineburg from BOQ. They learnt about the history of our club and what it was like to train and live as an elite athlete from Life Member, Darren Hauser.

The highlight of our season was our overnight trip to Rainbow Beach, where we helped with patrol. Perhaps the pizza and ice cream on the Saturday night were more of a highlight. It was a good learning experience in different conditions. The cadets did themselves proud and represented the club superbly over the weekend. Thanks to Lisa Paxton for helping out as a chaperone on the trip.

Although our season has been cut short, the cadets have continued their involvement with the club. Hopefully as a group we will grow, with more adventures ahead of us.

Yours in Life Saving

**Mark Cassidy**  
**Youth Development Officer**

# JUNIOR ACTIVITIES REPORT

Congratulations to all our members for a fantastic Junior Surf Life Saving (JSLS) season. It is pleasing to see our membership numbers increase and remain healthy, despite some challenges that we faced early into the season which led to a restructure of a few positions within the Junior Activities Committee.

With a reshuffling of roles and further commitment from several Age Managers we were soon working as one team with one dream, to continue the development of beach and surf skills program with our juniors from Green Cappers to U15. This year we had 181 registered nippers up against 147 nippers last year, which was the biggest increase in 5yrs. We also had nine (9) registered U15's. The Junior Activities Committee (JAC) have put a significant amount of effort into ensuring we held Nippers every week-end, even when there were carnivals which at times stretched our resources. We all managed to rally together to ensure that the children who don't compete have the best chance of achieving their own goals and valuable lifesaving skills. For many of our nippers who continue to enjoy the challenges of competing, as it is a huge effort not only from the children but the club as a whole, a big thank you to parents, carers and club members that played a part in enabling the children to travel to carnivals and show

their talent. There is something very special about wearing the red and white cap and this can be seen by way of medals won by the children which are tabled within the Annual Report. Congratulations to all, as there are many great results across all age groups.

All our 181 nippers and nine (9) U15's should be congratulated for their enthusiasm, energy and commitment to Junior Surf Life Saving. As the carnival season began to warm up early December it was fabulous to see nippers develop skills and confidence in and out of the water, as well as new friendships. This would not be the case if it wasn't for our dedicated members filling valuable roles. We had 11 new Surf Rescue Certificate (SRC) members join our team this season so now we have 25 SRC personnel in total. Later in the season we had up to 12 Water Safety personnel at Nippers on Sundays which was an amazing turn out and is so critical to the success of Junior Surf Life Saving.

Our Water Safety Personnel, Age Managers and Officials continue to travel to all the carnivals and provide valuable assistance so that our nippers can compete. We have had a few nipper parents complete their officials' course and bronze medallion course this season, which improves our ability to hold water activities and importantly adds to the club's patrolling member numbers. Our trainers also provide opportunities for additional beach and water training, which were well attended by the nippers and improvements were noticeable as the season progressed.

# JUNIOR ACTIVITIES REPORT

---

## Junior Activity Committee below:

Age Managers:

U6 and U7 - Simi Sandhu and Greg Page

U8 - Mark and Kris Page

U9 - Brontie Paxton and Ethan Campbell

U10 - Alex Pacifique and Glenn Peterson

U11 - Timi Delahunty, Anj and Dave Austen

U12 - Sophie Moore and Sarah Spence

U13 - Darren and Danielle Horton

U14 - Mary Halls

Assisting Age Manager – Ashleigh Eade

Carnival Team Manager – Danielle Horton

Water Safety Co-ordinator – Darren Horton

Accreditation Officer – Andrew Eason

Swim and Board Trainer – John Gillard

Sprint and Flag Trainer – Tony Grima

The new and older members above in every way demonstrated what surf lifesaving is about, which some have done for many years.

Big Thank you Team!

Big thank to our Gear Stewart – Don Burchill and his team of men who continue to repair nipper boards and club equipment throughout the year.

Parents and Carers who cooked over 150 to 200 snags each Sunday, special mention to the King and Queen of the BBQ, Kevin and Linda West, who have assisted 14 weekends out of 17 and cooked over 2500 snags, which has helped raise valuable money for Nippers and will enable us

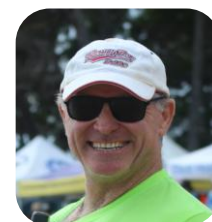

to purchase gear for next season, also to the members and children attending our local shopping centre to complete SOS “Shake the Can” day. There are so many members, non-members and friends that complete small jobs that make such a difference to Sunday Nippers. Big thanks to our many club sponsors and suppliers for your valuable contributions to our JSLS program.

I would like to personally thank the Club Management Committee and Supporters Club Committee, without their guidance and financial support we would not have JSLS, a special mention to Lynette Allston, our club Administrator, who has provided valuable administration support and finally, to all our nipper parents and carers who volunteer significant amounts of time to the JSLS program. It was pleasing to witness more parents as the season went on encouraging their children from the beach, which over time has led to further interest in completing basic Surf Lifesaving Awards so to be in the water with their children next season. I have no doubt this will be as rewarding for them as it is for all of us.

Although our season has been cut short with the COVID-19 world pandemic, which certainly has changed our lives in one way or another, this has led to so many un-answered questions like “what will the new normal look like on the other side”. It is unknown at this stage but there is no doubt we will overcome the battle and win the War. Look forward to seeing you all on the beach soon.

Please all take care and be safe,

**Wayne Ahrens**  
**Acting Junior Activities Officer**

## 2019/2020 JUNIOR TROPHY WINNERS

COMPETITION AGE GROUP	TROPHY/AWARD	MALE	FEMALE
U8	Age Champion	Ryan Gunn	Mia McKenzie
U8	Encouragement Award	Blake Stewart

## 2019/2020 SENIOR AWARD WINNERS

---

President s Award JASON PARNELL

To a member who has given outstanding service to the Club.

Competitor of the Year SARAH SPENCE

To an active member [Over 21] who has competed extensively to the best of his/her ability in a range of events.

Masters Competitor of the Year KYM LINGARD

To an active member [Over 30] who has competed extensively to the best of his/her ability in a range of events.

Darren Hauser [LM] Young Competitor of the Year HANNAH HORTON

To an active member (under 21) who has competed extensively to the best of his/her ability.

Tony Grima [LM] Cadet of the Year BRONTIE PAXTON

To the Cadet who has been an active and willing helper in all aspects of the club.

Beverly Thornton [LM] Encouragement Award ALEX PACIFIQUE

To an active member (under 21) who shows promise in competition in a range of events.

Val Kelly [LM] Official of the Year CRAIG BURCHILL

Acknowledgement of a member who has shown outstanding commitment and achievements in Officiating inside and outside of the Branch during the season.

Bryan Hart [LM] & Tracey Hart [LM] Most Outstanding Family PAGE FAMILY

To the family who has shown an all-round commitment in many activities around the club.

Chris Donnelly [LM] Rookie of the Year CAROL MCNAUGHTON

To the member who has joined the club through the year and has immersed himself/herself into a wide range of activities in the club.

Trainer of the Year ANDREW EASON

To the Trainer who has shown commitment to all areas of training in all aspects of the club.

Assessor of the Year TONY GRIMA

To the Assessor who has shown commitment to all areas of assessing around the club.

Coach of the Year TONY GRIMA

To the Coach who has shown commitment to all areas of coaching in areas of the club.

Clive Hammond Award WAYNE AHRENS

## 2019/2020 SENIOR AWARD WINNERS

---

### Goose Award

ANDREW EASON

ANDREW EASON FOR THE EXAMPLE OF HIS SKILLS IN HANDLING THE SKI IN FRONT OF A CROWD FOR HIS QUALITY DISPLAY OF DISMOUNTING WHEN THE FRONT STRAP ON THE SKI BROKE WHEN TRYING TO LEAVE THE BEACH (WE WILL BE RUNNING A COURSE ON IT SOON!).

### Gosling Award

DARREN HORTON

To a member or members who lightened up the place through particularly strange behaviour through the year.

DARREN HORTON FOR HIS EFFORT WHEN HE FORGOT THE PATROL TRAILER WAS HOOKED ON AND COLLECTED THE POST OUTSIDE THE ROLLER DOOR!

### **2019/2020 LONG SERVICE AWARD.....MARK CASSIDY**

Mark Cassidy joined our club in 2006. He already had his bronze, which he gained in 1984 at Tamarama Surf Club NSW.

Since joining our club Mark has held many positions including Team Manager, Age Manager, Patrolling Member, Youth and Development Director and Coach.

Mark has patrolled for the club and assisted in many volunteer water safety events for the community and the club.

He also assisted in training and injury recovery for our competitors.

Congratulations Mark on receiving 2019/2020 Long Service Award!

# SURF SPORTS REPORT

---

Sadly, the season finished early with the cancellation of both Junior and Senior State, plus the Australian Titles.

As a club we had a good season on the Surf Sports arena.

The season started with the Hervey Bay Masters Carnival early in September. This was well supported by other clubs, with about 125 competitors hitting our beach for the first carnival of the year. Our Club had 3 competitors who received 5 medals in total; 4 first and 1 second. Well done to all the Masters, great to see no injuries.

As a club we then packed our bags for the North Australian Championships at Mackay (this carnival is for U11 up to Masters). We had 12 competitors attend and return with 11 first places, 7 second places and 4 third places, great results for such a small number of competitors. To me the highlight was the U11 female flags where Hervey Bay finished 1<sup>st</sup> and 2<sup>nd</sup> but only after 4 run-offs as the officials could not separate the girls. In the end it was Shylah 1<sup>st</sup> and Amarni 2<sup>nd</sup>.

From this carnival we had 2 members selected in the QLD Country Team, an outstanding effort. Great work Hannah and Josh Horton.

After North Aussies our local carnivals started, 4 Pointers for our Juniors and Premiership Series for our U15 to Masters. Numbers at the 4 Pointers were good, whilst the numbers at the Premiership Series were a little down.

Late February we hosted the Branch Championships, a great carnival well run and very well organised by our green machine, the awesome workforce. A big thanks on behalf of all the competitors to everyone who helped make this carnival a great success. Both at the pool on the Friday night and on the beach Saturday and Sunday our 61 competitors had some great results with 52 top 3 placings, which included 11 firsts, 17 seconds and 24 thirds. Well done to all our little champions. For me the best event (if there was any doubt) was the U10 Male Flags where Hervey Bay finished 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> thanks to some great team work and effort on behalf of all three. It was great watching the boys compete, plus the parents of all 3 boys cheering each other on regardless of whose son was doing the best. Well done to the kids and the parents, great team support and sportsmanship.

Senior Branch was held at Tannum Sands this year where we had 10 competitors attend, returning with 40 top 3 placings of which 24 were gold, 9 were silver and 7 were bronze. Great effort by everyone!

In closing I would like to congratulate the entire Club for the fantastic job done in hosting Junior Branch. I would also like to thank the Junior Committee and all the Age Managers, Water Safety and IRB Crews who helped out each Sunday morning with Nippers, without all your support our little nippers would not be able to practice and learn new skills. I would also like to thank the Supporters Committee plus the Club's Main Committee for a great job done throughout the year especially behind the scenes where nobody but those on the committees see, fundraising and making the hard calls when needed to keep our club going forward.

Thanks to all the Parents for allowing us to teach your children this great sport full of skills that one day might save your life.

# SURF SPORTS REPORT

---

A special thanks to our team managers, Danielle, Fiona and Kim, who have been at our Junior and Senior Carnivals managing and supporting our competitors.

Last but definitely not least the Club's Officials especially our new officials, Darren, Kevin and Carolyn, for putting their hands up and getting their accreditation as the club cannot compete without officials as we must supply one (1) official for every eight (8) competitors at every carnival.

Until next year,

Yours in Surf Sports

**Tony Grima**  
**Surf Sports Officer**

Go the Beachies!

# SAFETY OFFICER REPORT

---

After filling the Safety Officer's position for the last 5 seasons, safety issues within the Surf Club are moving in the right direction.

There is now a regular routine with electrical, fire extinguisher and alarm testing being implemented.

While in the off season as usual a small band of committed surf club members will gather one weekend and tidy, wash and get the club patrol area back to a standard for the start of the new season.

Walkways were defined though a bit wobbly, (it's alright DE, I won't let them know who was on the line marking machine) which gave patrol members a defined area to store gear, with the added bonus of a clear walkway.

Manual handling issues were managed in the IRB area with a hoist being installed to lift boats that are not being used, again defined walkways were put in place and signage to alert person/s to stay clear of the hoist area. Fuels and chemicals will be reviewed to a standard list with mini safety data sheets.

Improved fuel storage and labeling has been arranged for the IRB/Jet Ski area.

And as always for the last 5 seasons, Helen my dear wife has keep a pristine, well stocked first aid room for us patrol members to utilise.

***A Huge thanks to the same small band of workers that answer the call every year to come and look after the club.***

Safety is about continuous improvement - issues re-occur and the only way to keep on top of them is everyone pitches in and helps:

- Identify an issue and report it – ring someone or leave a note
- When you use a piece of equipment, replace it where you found it
- Keep walkways clear and equipment away from fire extinguishers

***It is not only the Surf Club Committee Members that has a "Duty of Care". All members have a "Duty of Care" for the wellbeing of fellow club members, visitor's and beach goers.***

Have a great break – see you next season!

Regards,

**Ron Thomas**  
Safety Officer

## SPONSORS AND SUPPORTERS REPORT

---

We are in an enviable position to report another fabulous year through the generosity and positive engagement of a wonderful group of sponsors and supporters, with all our major sponsors renewing their commitments, along with the welcome addition of Latitude 25, Bean Beat and Rebel.

A special mention goes again to Bayside Radiology and the Hervey Bay RSL & Services Memorial Club for their continued substantial contributions. Their support for our juniors and our whole club is truly invaluable.

It is vital for a healthy working relationship that our sponsors be respectfully recognised throughout our Annual Book in various reports, throughout the clubhouse, on equipment, our web page and what's happening newsletter. In addition, the club executive continues to encourage that all members acknowledge and patronise the businesses that help underpin the continued success of our club.

The demands for investment in modern facilities, equipment and high operating cost along with increasing membership and community expectations, is a major challenge for any club.

However, our sponsors have allowed our management to satisfactorily provide all members with the necessary rescue and training equipment such as 4WD vehicle, SSV vehicle, jet ski, patrol trailer, rescue boards and tubes, skis, safety clothing, training boards, first aid equipment, radios, computers, IT and surf boat.

On behalf of the club management and its members, we extend our sincere appreciation to all our sponsors and supporters, past and present, for putting our club in great position to hit the ground running for the 2020/2021 season.

***Robert Garland***

**Life Member No. 9**

**Sponsorship Officer**

## **Committee 2019-2020:**

President – Craig Burchill

Secretary – Ulf Malmros

Treasurer – Andrew (Roo) Eason

## **Committee Members:**

Wayne Ahrens

Don Burchill OAM

The 2019-2020 season rapidly passed us by. Firstly, the Supporters Club Committee would like to thank all the volunteers who have given up their time to help behind the Bar. Without your dedication and volunteering of your time throughout the season, we wouldn't be the success we are today. Our season is not over as we run all year round and as you know we are the main source of income to raise money for the Surf Club, so we are able to give back to our members ranging from competition fees, to uniforms, to vital lifesaving equipment. I personally would like to thank you all for your time and efforts and hope to see you all again next season to help make it even bigger and better...!!!! I know since being in the President role I have led a great committee who have worked together implementing a few changes, procedures and policies which will lead us well for the future. I would like to extend my thanks to the entire committee team for the season we have had. For the outgoing members, I wish you well and thanks for your time and efforts, for the incoming members to join the committee, I know that they will be successful with the foundations which have been laid.

We as a committee encourage your feedback and suggestions to become a better place for our members and to provide a safe venue for the members and guests of Hervey Bay and contributing funds to support Hervey Bay Surf Life Saving Club Inc. To be a family where all visitors, members - past and present, can stay in touch with the achievements of the Club. To provide members and visitors of the Hervey Bay District Surf Lifesaving Supporters Club Inc. with a courteous, professional service in a safe and enjoyable environment.

Looking back over the season:

We saw Beers by the Beach happening regularly with great success and will continue to have these events ongoing to support not only our local artists but also it is a fantastic way to raise money for the Surf Club. We have received so much positive feedback from the community and our members with the being a regular event.

We also helped support carnivals which were held at the Surf Club and once again received wonderful feedback from other club members and officials on how they like "Club Hervey Bay" as we always have great food, service with a smile and everyone is so friendly. This is a great reflection on the work we all put in behind the scenes to enable these events to be a success.

# SUPPORTERS CLUB

---

The Supporters Club runs all year long and during the off-season the Supporters Club still raises money for the Surf Club through the Bar and Private Functions, so once again if you can lend a hand please don't be shy and pop on down ... we would love to see you!

Remember, our members are our focus and would like to continue to develop a friendly Supporters Club where all members, past and present, can stay in touch with the achievements of the Club. Engage in activities that enhance the raising of ongoing funds to support Hervey Bay Surf Life Saving Club Inc. with proceeds going back into the club to assist with the ongoing purchase of vital lifesaving equipment and to our members. Our financials for the year were just shy of \$100K, an awesome effort by all.

Thank You to the Committee Members, Club Members, Parents and Sponsors.

In closing, I would like to say that we have come a long way over the last few seasons and our future is looking great. The Committee has a solid foundation which can be built from to set further success into the future.

Remember..... If you always do what you've always done, you will always get what you've always got.

Thank You All!

Regards,

**Craig Burchill**  
**President HBDSLSC Supporters Club**

# DEDICATION

---

IN LOVING MEMORY

OF

DONALD STANLEY BURCHILL (OAM)

“DONNY”

23<sup>RD</sup> AUGUST 1939 – 18<sup>TH</sup> MAY 2020

Member of Hervey Bay SLSC, Tallebudgera SLSC, SLSQ Point Danger Branch, SLSQ and SLSA

Don has been a member of our association since 1957 dedicating 63 years to surf lifesaving at every level. His list of accomplishments, accolades and positions held are too numerous to list. His commitment has earned him Life Membership, a World Life Saving Citation of Merit and an OAM for services to Surf Lifesaving.

Don was dedicated to lifesaving, as a leader, a mentor, a friend.

His legacy will remain with us - a true life saver and gentleman.
