Thank you to Brendan Bowers from FC Sports Media
for the ongoing support of the Hervey Bay Surf Life Saving Club

www.fcsportmedia.com.au

PRESIDENT REPORT

Another season has successfully been completed, and with great pleasure I offer my 2021/2022 report.

In the past season we again had our fair share of challenges to overcome, but I am happy to report, again, that our team got on with the job and did what needed to be done and got the jobs done.

As the member of the leadership team, I am proud to say the best Surf Life Saving Club in Hervey Bay is in a very strong position heading into the future with growing patrol numbers and more interest from people wanting to join our club.

Highlights include our Patrol Teams and Age Managers already meeting to discuss next season's program.

As the President this was a real achievement for our club - to know that we are thinking already about next season.

Also, we had nine (9) members undertake training with the RWC program - this is a significant achievement. I sincerely thank those who have committed to this extra duty.

As many are now aware, the demands of a volunteer organisation are significant, and it is a team effort to ensure we can take to the beach weekly.

Again, I sincerely thank those who turned up and contributed to ensure our season was a success. There are too many to name individually, but I can assure you I am extremely grateful for your support and dedication to our club and the safety of our beachgoing community.

To our members who put up their hand to volunteer next season, thank you in advance for your support. Next season will see more changes introduced with our Parental Participation Program. This adjustment to the program will allow the continued delivery of our Nipper program. We understand this change will not suit everybody, but our program is about your children, and we need you to partner with us in the important investment in your children's future.

This season we again supplied nine (9) patrols every weekend and on public holidays from September to May. With our volunteers investing 3,493.31 hours into our beach. We have again delivered on Surf Life Saving Queensland's primary objective of Zero Preventable Deaths in Queensland public waterways. I thank everybody who has patrolled and carried out water safety duties with the Hervey Bay Surf Life Saving Club this season.

Next season we are committed to working to ensure our members can develop their skill on other beaches where and when possible. We are also going to focus on the attraction and retention of patrolling members, to grow our active patrolling numbers while balancing the demands of the modern world.

I sincerely thank our committee for their combined commitments this season. The effort required to deliver our programs and the hours spent by a small and dedicated group involved with the best Surf Life Saving Club in Hervey Bay is massive, and I thank everybody who have taken the time to get involved with us. I will thank in advance those that put their hand up and get involved in 2022/23.

Joanne, thank you again for your continued understanding and support while my never-ending beach journey evolves and continues.

See you on the beach!

Darren Everard
Club President
HBSLSC

TREASURER REPORT

Well, a great year behind us, coming out of COVID and we are in a good position going forward.

I received a call from Surf Life Saving Queensland in August, informing me that a bequest had been made to the club, a couple of thousand dollars thought! Well, to be told that this anonymous donor had in fact left us \$320,000.00, had no next of kin and as far as we can ascertain had nothing to do with Surf Lifesaving, a most generous donation.... I was a little lost for words!! Investigations ensued and I found out the benefactor lived in Maryborough and indeed had no link to the club or surf lifesaving. We have since found out that there were five (5) other community groups who were bequeathed similar amounts of monies. Thank You to this Donor, this has set the club up financially for the foreseeable future.

Again, we have been fortunate to secure a substantial amount of grant monies this year, my thanks go to the SLSQ Grant Writing Unit for their assistance in wording our grant applications to maximise our chances of gaining funding. This year we have been fortunate in obtaining over \$60,000.00 in grant monies being acquitted against: \$15,000.00 for the replacement of two of our IRB Motors, \$5,000.00 grant from the Fraser Coast Regional Council towards a new Racing Mal, \$12,000.00 from the casino grant to purchase new boards and skis for our master's contingent, \$30,000.00 from SLSQ, QFES and SLSA for VMR grants and More Beaches Under Guard to replace our Patrol equipment. Grants seem to be "drying up" a little now COVID is a part of our lives. I will continue to apply for grants as they become available but equipment wise, we are in a good position with our big-ticket items all fairly new.

Without the financial support from our sponsors and the countless hours of assistance from our volunteers, we could not function as successfully as we do. They believe in what we do as a club and their support is invaluable. Our sincere thanks to Bayside Radiology, Bendigo Community Bank Hervey Bay, Hervey Bay RSL and Sub Branch, Torquay Hotel, Golden Shores, The Boat Club, Bean Beat, Chris Wicks from Bob's Tyres, Stratco, Craig Thomson from Thommo's Plumbing, PBS Building, Latitude 25, Watkins Electrical, Urangan Bowls Club, Morgan Sewing Centre, Clayton Hearing, Fraser Coast Massage, Andrew Harwood Chiropractic, Rebel Sports who provide us with gift vouchers from their Community Kickback Scheme where we raised over \$1,000.00 raffling off a shopping spree at REBEL, and don't forget to say you are a Hervey Bay Surf Life Saving Club member when you purchase goods from Rebel, Trev from T & S Auto's for servicing our 4WD free of charge, Jason from Parnell Mobile Mechanics for servicing the ATV and all our other supporters of our wonderful club, we thank you for being there for us. Please support our sponsors and buy locally when you can, making sure you tell them you are with the Hervey Bay Surf Life Saving Club!

The Management Committee and Members would like to acknowledge the Federal Government, Queensland State Government, Department of Community Services, Sport and Recreation, SLSA, SLSQ, SLSQ Wide Bay Capricorn and the Fraser Coast Regional Council for their continued support and financial input.

We would also like to acknowledge the Hervey Bay Surf Life Saving Supporters Club for their ongoing financial assistance of the Hervey Bay Surf Life Saving Club. The Supporters Club had a reasonable year and has donated over \$10,000.00 to the Surf Club this season. My thanks to the Supporters Club Committee and Volunteers who have manned the bar this season, this being where a high volume of the Supporters Club income is generated, from which this enables them to donate to the Hervey Bay Surf Life Saving Club.

TREASURER REPORT

The Nippers fundraising efforts have been successful with a Sausage sizzle at Bunnings generating \$1,000.00.

On a personal note, I would like to thank my fellow committee members for their support, encouragement, friendship and team spirit through what has been an extremely busy and challenging year for us all.

My thanks to my darling wife Anita for preparing the accounts and reminding me to put the never-ending stream of paperwork in the right place!

We are in a comfortable position to take on the 2022/23 season.

Please peruse the audited accounts and please don't hesitate to contact me if you require any clarification.

See you next season!!

Cheers

Roo

Andrew Eason
Director of Finance
HBSLSC

CLUB CAPTAIN'S REPORT

PATROLS

After a bumpy start to the season, with a few hiccups with the Patrol Roster, the Club Captain stepping away, Ron and I stepping into the Acting Club Captain role and two (2) patrols with basically no members, we made it. I believe the 2021-2022 was a massive turning point from a Patrol perspective. I know we still have work to do, but all in all it was a very successful season. Everyone should hold their heads high and be proud of their achievements for the year.

I'd like to personally thank all the active patrolling members that volunteered their time to patrol our wonderful beach throughout the Season and welcome our 13 new Bronze and 15 SRC members to Hervey Bay Surf Life Saving Club.

The volunteers that patrol the Beach are the 'Heart and Soul' of every Surf Club. Without active patrolling members, we would not be able to run a Nipper program, there'd be no Surf Sports Competition and basically no Surf Club. The total volunteer hours by our active members for the season were a staggering 3493 hours.

The Seasons Statistics:

| Description | Population/Number |
|--|-------------------|
| Total Beach Attendance | 47,970 |
| Minor First Aid (Cut & Abrasions) | 5 |
| Major First Aid | 85 |
| Rescues | 2 |
| Preventative Actions | 572 |
| Total First Aid | 90 |

We made a few changes this season from previous seasons, and I believe they were for the better. We moved to half day patrols on public holidays from three (3) hrs, meaning less public holiday patrols for members. Along with changing Christmas Day to a volunteer Patrol, which I must give a massive thank you to the 17 members that gave up part of their Christmas Day to patrol our beach, you are all Legends. I have had some great feedback with a fantastic day had by all. I am looking forward to seeing even more of you there this year with your Surf Club family.

Although it was a relatively quiet season with rescues and serious incidents, one emergency situation that must get a special mention was early in the season, when Patrol 4 was called to a man with chest pains on a catamaran out from the Sailing Club. Three (3) of our members; PC Jason Parnell, Helen Thomas and Ron Thomas attended to the casualty, while the remainder of the patrol team maintained a vigil on the swimmers in the flagged area. It was discovered that the casualty had a heart attack. The outstanding, professional, fast acting actions of our patrol members to respond and care for the casualty until the ambulance took over need to be commended. Well done team.

This incident goes to show how quickly things can go wrong in and around the water, even in a town like Hervey Bay with our treacherous seas. Hervey Bay Surf Life Saving Club has an important role to play in community safety and engagement.

This year we have had many members go above and beyond. These members all put in over 60 hours over the season between the Red and Yellow Flags on Patrol.

| | Name | Hours | | Name | Hours | | Name | Hours |
|---|-----------------------|-------------|---|-----------------------|-------------|---|-----------------------|-------------|
| 1 | Zara Royal | 100 | 4 | Sharon Roberts | 69 | 7 | Rodney Quinn | 65.5 |
| 2 | Darren Everard | 84 | 5 | Tessa Viljoen | 68.5 | 8 | Helen Thomas | 61.5 |
| 3 | Guy Paxton | 72.5 | 6 | Ronald Thomas | 67.5 | 9 | Craig Burchill | 60 |

CLUB CAPTAIN'S REPORT

Wave Runner 30

The Rescue Watercraft (RWC/Jet Ski) patrols are a relatively new thing for me. For those that do not know, we provide this additional volunteer patrol service to the Hervey Bay community. Generally patrolling for four (4) hours around high tide on weekends and public holidays throughout the season from Urangan to Point Vernon.

Once again, we started the season off fairly scratchy with only three (3) members able to complete these patrols and no roster to speak of. We had nine (9) of our members put their hand up to complete the RWC training in February. We now have a flush roster and were able to complete our obligations for the back half of the season. I would like to thank Roo and the members of the Operations Support team for coming to Hervey Bay to put us through the extensive training. The course was most enjoyable, and I can highly recommend to any other members that would like to further their skills.

Season in Summary and the Future

This season has filled my heart with joy for many reasons, firstly seeing so many new faces join the club this year, once again welcome. Secondly, seeing many of you step up and fill in on short notice when patrols and water safety were short on numbers, chipping in to help out your team-mates. Thirdly, seeing so many active members join in training and competing, with all these members improving and maintaining their skills in the water and on the beach. The comradery and mateship on display in this group is what it is all about. The results at Senior Branch Championships for our little club were also outstanding, with the Master's team taking out 2nd overall and the Senior team taking out 2nd place on handicaps. Well done Team Hervey Bay.

Once again thank you to all our active members for volunteering your time for Patrols, RWC Patrols and Water Safety, we could not have done it without you. You are the life blood of the Club.

I am already looking forward to next season and I would love to increase our skill base on each patrol by training up our existing members to have more IRB Drivers and Crew, RWC Operators, Silver Medallion Holders, Advanced First Aiders and SSV Operators. So, if you are interested in gaining more Surf Lifesaving skills and awards, drop me a line.

We are also on the lookout for new patrol recruits for next season, so spread the word about the best Surf Club in the Bay. Enjoy your time off over the Winter break. I look forward to seeing you all on the beach next season.

Cheers,

Guy Paxton

Deputy President and Acting Club Captain

HBSLSC

PATROL HOURS

Once again thank you to all our active members for volunteering your time for Patrols, RWC Patrols and Water Safety. We could not have done it without you. You are the life blood of the Club.

INHOUSE PATROL COMPETITION

Don and Val Burchill Patrol Competition Season 2021-2022 Points

Inspections including conscious and unconscious patient rescues were carried out on all nine (9) Patrol Teams and listed below are the results of the Patrol Competition Season 2021-2022 Points: -

Patrol 1: 19 + 143 = 162

Patrol 2: 4 + 131 = 135

Patrol 3: 12 + 150 = 162

Patrol 4: 11 + 150 = 161

Patrol 5: 16 + 149 = 165

Patrol 6: 7 + 142 = 149

Patrol 7: 0 + 141 = 141

Patrol 8: 10 + 139 = 149

Patrol 9: 4 + 144 = 148

Please see below placings:

1st Place **Patrol 5** on 165 Points

2nd Place **Patrol 3** on 162 Points on countback

3rd Place **Patrol 1** on 162 Points on countback

4th Place **Patrol 4** on 161 Points

5th Place **Patrol 6** on 149 Points on countback

6th Place **Patrol 8** on 149 Points on countback

7th Place **Patrol 9** on 148 Points

8th Place **Patrol 7** on 141 Points

9th Place **Patrol 2** on 135 Points

Congratulations to the winners and placegetters and a big thankyou to all Patrol Teams 2021/2022 for a job well-done.

Valerie Burchill

JUNIOR ACTIVITIES REPORT

Congratulations to all our members for a fantastic Junior Surf Lifesaving (JSLs) season. This year we had 116 registered Nippers; the Junior Activities Committee (JAC) have put a significant amount of effort into ensuring we held Nippers every weekend, even when there were carnivals which at times stretched our resources. We all managed to rally together to ensure that the children who don't compete have the best chance of achieving their own goals and valuable lifesaving skills. For many of our Nippers who continue to enjoy the challenges of competing, as it is a huge effort not only from the children but the Club as a whole, a big thank you to everybody who made it possible for the children to achieve fantastic results across all age groups.

The Children's energy and commitment to Junior Surf Life Saving each year is unwavering.

As the carnival season began to warm up early December it was fabulous to see Nippers develop skills and confidence in and out of the water, as well as develop new friendships. This would not be the case if it wasn't for our dedicated members filling valuable roles. We had nine (9) new Surf Rescue Certificate (SRC) members join our team this season, at times we had up to ten (10) Water Safety personnel at Nippers on Sundays, which was an amazing turn out and is so critical to the success of Junior Surf Lifesaving.

Our Water Safety Personnel, Age Managers and Officials continue to travel to all the carnivals and provide valuable assistance so that our Nippers can compete. We have had a few Nipper Parents complete their Official's course and Bronze Medallion course this season, which improves our ability to hold water activities and importantly adds to the club's patrolling member numbers. Our trainers also provide opportunities for additional beach and water training, which were well attended by the Nippers and improvements were noticeable as the season progressed.

Junior Activity Committee below:

Chair (Junior Activity Officer) – Wayne Ahrens

Deputy JAC – Kevin West

Age Managers:

U6 and U7 - Greg Page and Kris Page

U8 - Mark Page and Alex Pacificque

U9 – Jessica Roberts and Glenn Peterson

U10 – Ewen Gunn

U11 – Carolyn Stirton

U12 – Ali Mc Garry

U13 and 14 – Timi Delahunty and Lisa West

Assisting Age Manager – Fiona Campbell

Carnival Team Manager – Ewen Gunn

Water Safety Co-Ordinator – Kaine Beattie

Swim and Board Trainer – John Gillard

Sprint and Flag Trainer – Tony Grima

Surf Sports Officer – Tony Grima

Chief Training Officer- Andrew Eason

JUNIOR ACTIVITIES REPORT

The JAC group of members above in every way demonstrated what surf lifesaving is about. Big Thank you Team.

Big thank to our Tuesday Working team of men Ulf, David and Kevin who continue to repair Nipper boards and club equipment throughout the year.

To the Parent Participation Program including Carers, Members, Non-Members, and Friends we say "Thank-you" to you all. The program was a reasonable success, but we still saw a trend of the same people each week completing the majority of the work. It will be a tighter structure next year and the workload will be shared. Again, thanks to all who assisted in setting up /packing up the training arenas, cooking the BBQ and other small jobs.

On Behalf of the Junior Activity Committee, I would like to personally thank the Club Management Committee and Supporters Club Committee, without their guidance and financial support we would not have Junior Surf Lifesaving, a special mention to Lynette Allston, our club Administrator who continues every week to keep Kevin and myself at check and has for several years now provided invaluable administration support. It was pleasing to witness more parents as the season went on encouraging their children from the beach through the NAA program, which over time has led to further interest in completing basic Surf Lifesaving Awards.

Although our season again was affected by COVID-19, it was pleasing that we may have seen the last of the disruption and next season have some normality.

Please all take care and be safe,

Wayne Ahrens
Junior Activities Officer
HBSLSC

A big thank-you to Ashley Booth

from **Ashley Booth Photography** for volunteering her photography skills to ensure that our junior members are captured in action at our carnivals and on the beach.

CHIEF TRAINING OFFICER REPORT

This year has seen a significant number of awards gained by our Members. Some for our Nipper Parents, which will enhance our patrol strength and also facilitate water safety for our Nipper Programme.

Can I thank our Member participants for being flexible and understanding of the constraints put on us all by the COVID rules.....masses of paperwork to fill out before every training session and the need to modify how we trained.

This year we have seen gained 13 new Bronze Medallion, 15 Surf Rescue Certificates, 2 IRB Drivers and 9 IRB Crewies, with thanks to those qualified drivers, Guy Paxton, Wayne Ahrens and Jeff Luke who assisted with this course, 9 new Rescue Watercraft Operators for the Jet Ski, 23 First Aid Certificates for the new 011 qualification and over 100 Members also doing their annual proficiencies.

My thanks to Rod Quinn who is doing his Trainer's Course and Tony Grima for their assistance this year.

I intend to run some courses in the off-season; Bronze, SRC, ART and First Aid, with maybe an IRB Course thrown in there somewhere, watch the Newsletter for dates.

Have a good break and see you next season.

Cheers,

Roo
Chief Training Officer
HBSLSC

SURF SPORTS REPORT

The year started well with pool swims and sign on going well.

Our first carnival for the start of the season was our Hervey Bay Masters Carnival on the 11th of September 2021. This is the first carnival of the year for Masters to attend. This year we had good numbers again, roughly 100 entries with 10 of those being from our club. The Masters Carnival is predominately attended by clubs from the Sunny Coast who like to come and have fun and compete in a very laid-back carnival that eases everyone back into the new season.

We had a lot of good results across the carnival, finishing with 12 first placings, 10 second placings and 12 third placings (results of all this season's carnivals including competitors names and places are later in the book). A very good result overall with only 10 competitors competing with a couple of them having their first taste of Surf Life Saving Carnivals

The next carnival on the list was North Aussies, for Under 11 to Masters, which is held at Mackay each year in late October. This is a long drive but well worth it for our competitors, especially our Under 13 to Under 17 competitors who have a chance of making the Queensland Country Team, which is a team chosen only from this carnival. The team has six (6) males and females for each of the age groups; four (4) water competitors and two (2) beachies. This year our Nippers did fantastic with three (3) being chosen in the team; Millie Jackson, Grace Wright and Emmily Lingard, with another two (2) being chosen as reserves; Ariana Rasmussen and Tallen Gunn. Not to be out-done, Kym Lingard won Age Champion for her age group at the carnival.

In total we had 23 competitors compete at North Aussies, returning with a bag full of medals; 10 Gold ,19 Silver and 17 Bronze overall.

A special thanks must also go out to all the officials and water safety.

Our 4-point Carnivals were well attended this year again and it is great to see so many new faces getting involved and cheering our little Nippers on. As the results from our 4-Point Carnivals are so big, I have not recorded in this section of the book as they will be shown later in the book. All I can say is a fantastic effort and results by everyone and it is so good to see so many smiling kids competing and having fun.

For the Seniors Under 15 to Masters, next came the Premiership Series. Both Round 1 and Round 2 were down on competitors with our club having 10 competitors at the first carnival and nine (9) at the second carnival. Although numbers were down our guys had a great time competing in the Surf at Agnes Waters. The group returned with a staggering 55 Gold, 30 Silver and 5 Bronze placings over the two (2) carnivals.

Junior and Senior Branch were the two (2) next carnivals for the club.

The Senior Branch Championships were held first at Emu Park and like normal we had good numbers, a total of 21 competitors pulled on the red and white cap to proudly represent our club. We had quite a few competitors competing for the first time, which is always good to see.

Although our numbers were not the biggest at the carnival, we defiantly made the other clubs sit up and take notice. We returned with a massive 25 Gold, 16 Silver and 23 Bronze plus a lot of 4th and 5th placings. All in all, it was a great carnival.

Then came Junior Branch held at Bundy.

We had 42 competitors attend and that put a lot of pressure on the club to supply Officials (remember we need to supply one (1) Official for every eight (8) or part of competitors, therefore we needed six (6) Officials). This was looking grim to start with until we were able to get some Officials to put their hands up after asking and explaining to them the outcome if we didn't have the Officials. So, for this carnival especially, I would like to thank the Officials; Carolyn, Big Kev, Craig, John and myself, with a special mention to Vicky Perry who drove up Saturday morning to

SURF SPORTS REPORT

officiate while her daughter Zara did water safety. As Zara is Under 15, both of them had no reason to be there to help the club out but thankfully they did, otherwise eight (8) of our young Nippers would not have been able to compete.

Now onto the good stuff. Those young Nippers had a fantastic carnival with so many smiling faces regardless of where they finished in their race. Results were good as well, returning with 27 Gold, 17 Silver and 21 Bronze Medals.

On Saturday night at our team get together, the kids were running around having fun and wearing their medals proudly. This is a great time for the club to grow and meet each other, especially the Officials, as they do not get to see a lot during the day. It's always something I look forward to, something as simple as just being able to sit back have a few drinks and listen to all the Nippers' achievements plus meeting some of the new parents.

Besides these carnivals we also had Branch Surf Rescue and State Surf Rescue at Bundy.

We had two (2) young ladies, Zara and Hannah, compete in the Under 15 Champion Lifesaver Event and then they teamed up and did the Under 15 First Aid Competition. For both, it was their first time competing at this event. This is a big carnival because it involves everything to do with Surf Life Saving from water and beach events to multiple choice questions plus CPR and live patient assessments.

Zara then attended the State Championships where she gained a lot of experience and knowledge from other competitors, which she will be able to use next year.

Well done to both the girls for stepping out of your comfort zones and giving this awesome event a go.

The final carnival attended by our mighty red and white team was Aussies, where we had three (3) competitors compete against the best in the country and although we are only a little club, the guys returned with three (3) top six (6) placings.

Kym Lingard finished 4th in her age group for the Female Surf Race and 6th for the Female 2km Ocean Swim, Jeff Luke returned with a 4th in his age group for Ironman, The 3rd competitor was Guy Paxton, who might not have returned with any placings but had a great time and represented our club proudly.

That's it for carnivals this year, due to the floods Youth and Senior State Championships were cancelled.

Finishing off, I would like to thank everyone who helped at carnivals this year, they are long days and the more hands we can get helping the easier it is for everyone. I would also like to thank all the parents for allowing their children to be a part of this amazing movement. Thanks to all the patrolling members and committee members for keeping our club moving in the right direction. Special thanks to Wayne and the Junior Committee for another fantastic season. Final thanks go to our three (3) new officials, Brendon Jackson plus Chris and Renae O'Brien.

Yours in sports,

Tony Grima
Surf Sports Director

YOUTH AND DEVELOPMENT

The cadet group has continued to be involved in all aspects of surf club life. Whilst small in number, the committed few have continued to provide patrols on the beach, help with Nippers and participate in competition.

We have tried to make our surf club a safe and enjoyable environment for our youth members. One thing we did was to have the training room as a Cadets “hang out” place for a few hours on a Sunday. This was only mildly successful with more attending on Sundays when there was food involved. No surprise there!

The highlight for the group was our overnight trip to K’gari. Many thanks to our guide and female chaperone, Carol McNaughton. Carol was able to lead the expedition and did a great job in organising our itinerary, which involved a bit of walking, exploring and just hanging out. We hope to do another trip, perhaps as a pre-season team building event for our Cadet group.

This is a great group to work with. I would like to thank all the cadets for the time they have put into the club this season.

Yours in Life Saving,

Mark Cassidy
Youth Development Officer
HBSLSC

SPONSORS AND SUPPORTERS REPORT

With so much business uncertainty with the COVID pandemic, along with emerging serious global conflicts and regional risks since late 2019, we are blessed to be in an enviable position to report another year of positive engagement with our wonderful group of sponsors and supporters.

In recognition of this generosity and loyalty, we are again pleased to report that all our major sponsors have renewed their commitments for the upcoming season and beyond.

A special mention goes again to Bayside Radiology and the Hervey Bay RSL & Services Memorial Club for their long-standing substantial contributions. In addition, Golden Shores (via the Beavis and Bartels families) has increased its support, building on our strong connections, now in its second decade. Their passion for our juniors and our whole club is truly invaluable.

It is vital for a healthy working relationship that our sponsors be respectfully recognised throughout our Annual Book in various reports, Clubhouse, equipment, web page, Facebook and “The Torquay Times” newsletter. Also, the club executive continues to encourage that all members acknowledge and patronise the businesses that help underpin the continued success of our club.

The demands for investment in modern facilities, equipment, maintenance and high operating costs, along with evolving membership and community expectations, is a major challenge for any club. However, our sponsors and supporters have allowed our management to satisfactorily provide all members with the necessary rescue and training equipment such as 4WD vehicle, SSV vehicle, jet ski, patrol trailer, rescue boards and tubes, skis, safety clothing, training boards, first aid equipment, radios, computers, IT and surf boat.

On behalf of the club management and its members, we extend our sincere appreciation to all our sponsors and supporters, past and present, for putting our club in a solid position to hit the ground running for the 2022-23 season so as to continue to deliver a high-quality surf lifesaving service and save lives.

Robert Garland
Life Member No. 9
Sponsorship Officer

Thank you to Kim Parnell from ‘What’s On Fraser Coast’
for the ongoing support of the Hervey Bay Surf Life Saving Club

SAFETY OFFICER REPORT

Regular routine inspections with electrical, fire extinguisher and alarm testing being monitored for compliance.

Another challenging year for our club members with using the public beach under COVID-19, again our members rallied to the cause and maintained compliance as directed by Surf Life Saving Queensland.

Zero loss of life is our only focus on the beach which has on two occasions seen patrolling members assist with rescues, which to say the least have been under trying circumstances. Thank you to those members.

This off season we will see new paint work to the entire external of the club.

Clearly defined walkways were put in place and signage to alert members to stay clear of the hoist area. As the hoist is in a stationary position most of the time under load, it is now doubled strapped to ensure that there is very minimal risk of the IRB coming down.

Rod Quinn, our First Aid Officer, has keep a pristine, well stocked first aid room for all patrol members to utilize. Thanks, Rod, for your ongoing support.

A huge thanks to the same small band of workers that answer the call every year to come and look after the club; Ulf Malmros, David Boss and now Kevin West has joined the team.

Safety is about continuous improvement - issues re-occur and the only way to keep on top of them is if everyone pitches in and helps:

- Identify an issue and report it – ring someone or leave a note
- When you use a piece of equipment, place it where you found it.
- Keep walkways clear and equipment away from fire extinguishers.

It is not only the Surf Club Committee Members that has a “Duty of Care”, all Club Members have the same responsibility.

See you on the beach!

Wayne Ahrens
Safety Officer
